

Seacon

Your global connection to frozen

Molluscs

Umios Food Europe

Umios Food Europe, formerly known as Seafood Connection, is a leading seafood company and has been part of Umios Corporation since 2013. This partnership gives us access to the expertise, scale, and resources of one of the world's largest seafood companies, with a turnover of USD 9 billion and a presence in every major global market.

Wherever seafood is harvested or enjoyed, Umios is there. At Umios Food Europe, we leverage this global network to support our customers in achieving their ambitions. We take pride in our hands-on approach and our attention to every detail throughout the entire supply chain, ensuring consistent quality, reliability and excellence.

Thanks to our global network,

we offer a wide variety of molluscs species, including Squid, Octopus, Cuttlefish and Clam from around the world.

Contact our team to stay informed about the latest market trends, newly introduced products and the best opportunities available in the market.
